One Family Scholars Program

Career and Professional Growth · https://community.womensmoneymatters.org/es/resources/one-family-scholars-program-2/

The One Family Scholars program provides individualized academic and career coaching to single parents with low incomes in college in Massachusetts. One Family Scholars receive scholarships to cover direct costs of college (such as tuition, fees, books, and technology) as well as indirect costs of college (such as childcare, transportation, and living expenses).
