One Percent for America (OPA), is dedicated to reducing financial barriers to citizenship. They recently launched a national digital platform that offers not-for-profit loans at 1% interest to cover USCIS fees for citizenship, DACA, TPS and green card applications.

By removing financial barriers to citizenship, **One Percent for America** gives future Americans three vital tools of empowerment:

- 1% interest loan for application fees
- free financial education on everything from building credit to financing a home or small business
- dedicated community support
