The Mayor’s Office of Workforce Development

Career and Professional Growth · https://community.womensmoneymatters.org/es/resources/the-mayors-office-of-workforce-development/

The Mayor's Office of Workforce Development oversees several programs and collaborative initiatives designed to promote economic opportunity for Boston's residents. Learn more about these programs below. Adult Literacy Initiative ALI is a consortium of adult education programs in the City of Boston that are supported by state and/or city funding and meet regularly to share best practices and work on professional development.
