Dollar For: Medical Bill Assistance

Medical and Insurance · https://community.womensmoneymatters.org/resources/dollar-for-medical-bill-assistance/

Dollar For helps patients crush medical bills by making charity care known, easy, and fair. While Dollar For does not pay medical bills for patients, we are here to help you navigate hospital financial assistance programs and eliminate your hospital bills.

They can help you find out if you qualify for charity care. Then they can help you apply, either on your own or with assistance from their experienced Patient Advocates. **Our services are completely free – no strings attached.**
