How to Money

Podcasts and Finance Influencers · https://community.womensmoneymatters.org/resources/how-to-money/

Hosted by best friends Joel and Matt, "How to Money" takes a light-hearted yet educational approach to topics like financial hardships, debt repayment, and quitting your job. With episodes running around 30 minutes, it offers practical advice for purposeful money management. It is best for those who want jargon-free advice for managing money and candid discussions about how money works.
