Making Sense of Financial Aid

Education and Student Loans · https://community.womensmoneymatters.org/resources/making-sense-of-financial-aid/

https://www.uaspire.org/For-Students

This is an organization that works with high school and college students in California, Massachusetts, and New York to access the financial aid needed to attain their degree in any program. They provide the resources, tools, and websites that uAspire advisors trust and use with students and have virtual opportunites for free financial aid help.
