Second Chance Cars

Car and Auto Resources · https://community.womensmoneymatters.org/resources/second-chance-cars/

Second Chance Cars is a Massachusetts 501c3 corporation that provides refurbished, affordable used cars to Eastern Massachusetts' low-income veterans and returning citizens. Our cars allow their new owners a chance to obtain living-wage jobs and the ability to achieve their full potential.

If you need a car, please contact the staff of one of our nonprofit partners to see if you are eligible to apply and if they can recommend you.

Once an application is submitted to us, we work to match an approved applicant with a refurbished, donated car that meets their financial, employment and family needs.
