Her Money

Podcasts and Finance Influencers · https://community.womensmoneymatters.org/es/resources/her-money/

Hosted by NBC's financial editor Jean Chatzky, "Her Money" focuses on financial situations specific to women. With a casual, jargon-free tone, it addresses issues like the gender wage gap, women investors, and the importance of financial independence in 30-minute episodes. It is best for women who want to make informed financial decisions and be elevated by other women.
