Parent/Professional Advocacy League is a statewide, grassroots family organization that advocates for improved access to mental health services for children, youth and their families. PPAL's goals are to support families, nurture parent leaders and work for systems change. PPAL is the only Massachusetts organization whose work focuses solely on the interests of families whose children have mental health needs. Founded in 1991, PPAL continues to work on behalf of children, youth and families as a critical voice shaping policy and practice.
