TD Guest List, part of the Access the Arts program powered by TD Bank, provides complimentary tickets to live arts and entertainment at TD Garden to under-resourced individuals throughout the New England region.

To be considered for the TD Guest List, you must receive income-based public assistance** (such as SNAP or EBT Card) and upon selection, recipients will be asked to provide proof of income-based assistance.

New shows and inventory will be added on a rolling basis, so continue to check back to apply for the shows and events you are most interested in.
