Credential to Career (C2C) is a free 15-month program that helps adults who are unemployed or under-employed identify and pursue education and career goals. In the program, you will:

- Identify a career that matches your skills and interests and pays enough to support your family
- Figure out what training or education you need for your chosen career
- Discuss concepts related to budgeting and financial planning
- Create a step-by-step plan to help you achieve your goals

C2C includes 3 months of group workshops and individual coaching sessions, plus 12 months of follow up coaching. During the program, you will create a detailed, personal plan to achieve your goals!
