Food: Centre Food Hub – Low Cost Groceries

Food, Clothing and Basic Needs · https://community.womensmoneymatters.org/resources/food-centre-food-hub-low-cost-groceries/

If you are looking for affordable veggies and strive to eliminate food waste, the Centre Food Hub is for you. You can get a bag of veggies for $2 and some other grocery items for $1-2.

Also, they are largely volunteer-based so if you ever have time to spare consider this place to support. I volunteer when I can and it is a great spot. Conveniently off the Forest Hills Orange line stop.
