Project Citizenship seeks to increase the naturalization rate in New England, with a focus on the most vulnerable and disadvantaged populations. We help eligible immigrants apply for citizenship! To maximize our impact, we utilize volunteers and *pro bono* attorneys to staff citizenship workshops to help groups of hopeful citizens complete their applications.

If you want to apply for citizenship, contact us at 617-694-5949 or info@projectcitizenship.org to get started. Read below for more information.
