The Massachusetts Money Management Program promotes and prolongs independent living for income eligible individuals over 60 who are at risk because of their inability to manage their own finances.

In order to achieve this mission, the Massachusetts Money Management Program:

- Provides money management assistance that enables people to live as independently as possible.
- Helps in the least intrusive way so that a person’s dignity and privacy are preserved.
- Provides program safeguards to protect the consumer, the volunteer, and the local ASAP.
