This is Uncomfortable

Podcasts and Finance Influencers · https://community.womensmoneymatters.org/resources/this-is-uncomfortable/

Host Reema Khrais explores the discomfort surrounding money in "This Is Uncomfortable." With relatable stories, she delves into topics like recent rent strikes, escaping the cycle of debt, and navigating disagreements over parents' financial decisions in 20-minute episodes. It is best for those who aren’t comfortable talking about money (yet!) and want to learn how it can affect adult life, relationships, and identity.
