The AARP article on part-time jobs for retirees explores various employment options that allow older adults to stay active, earn supplemental income, and maintain social engagement. It highlights flexible job opportunities across different sectors, including retail, tutoring, consulting, and remote work. The article emphasizes the benefits of part-time work, such as skill utilization, networking, and personal fulfillment. Additionally, it offers tips for retirees on how to effectively search for jobs, tailor their resumes, and approach interviews, encouraging them to find roles that align with their interests and lifestyles.
